

GETTING STARTED

PLEASE SELECT ONE

- Front Cover Only ~ \$150
- Full Cover ~ \$200

If you want a full cover for print copies, the first step is the front cover; but when the time comes for the full, whichever print service you choose should provide either a template or exact dimensions for your book. Please forward this to me so I can be sure it's exactly right for you!

- Promo Images ~ + \$50 (to either Front or Full)

Please select the options you are interested in:

- Facebook cover photo
 - Twitter header
 - Google+ header
 - Website header – provide dimensions or site so I can find dimensions:
 - Other online presence—be specific:
 - 3D image with spine visible
 - 3D image with spine not visible
 - Bookmarks – list site you would order from (I recommend www.overnightprints.com):
 - Book signing/event poster (these can be requested as the need arises) – dimensions:
- Interior Layout Design ~ \$200

You will also be receiving a Cover Questionnaire – this is your chance to tell me exactly what you want! You're also welcome to visit sites like www.shutterstock.com, www.istockphoto.com, www.dreamstime.com, or other stock photo sites to help search for that perfect model for your cover. Up to \$40 of images are included in the package price; if you decide on an image that's more than that, the excess will be listed separately on the final invoice. If your cover requires a photo shoot (which is possible but obviously more expensive), pricing will vary based on costume, model, and photographer expenses, all of which will be cleared with you ahead of time.

NOTE – for any design, I will create a title page for you to match your cover's title font treatment. No extra fee. Also, if you are purchasing a full cover and will be submitting to

CreateSpace, Lightning Source, etc., I will make sure the cover fits perfectly on the template they provide.
